SCHOOL TRAFFIC SAFETY PROCEDURES

Please be aware of the proper procedures for student drop off and pick up at Daly School.

A). Morning Drop off.

- 1). No parking in drop off area, from posted sign to bus driveway
- 2). No leaving of car for any reason
- 3). Pull your car forward as far as possible, so all other cars can fit behind.
- 4). If you must walk your child or want to watch them walk into school, then you must park your car in a legal parking space.
- 5). As soon as your child exits the car, you must leave the car line
- 6). Do not block driveway, or impede the busses exit to the street.
- 7). Do not drop off your child in the middle of the street. You must pull over to the curb before they can exit the car.
- 8) Do not drop off your child until you have passed the bus unloading driveway.
- 9) No blocking of crosswalk.

B). Afternoon pick up.

- 1) You must stay with your vehicle while in the pick up area.
- 2) You cannot block driveways.
- 3) You must park in legal spaces
- 4) Do not pick up your child in the street. They must enter car from the sidewalk side of the car.
- 5) Please have your child use the **crosswalk** when crossing the street. It is the best way to keep them safe from moving vehicles.
- 6) There is no pick up line in the afternoon. No parking or standing is permitted beyond the cone. You cannot block the faculty parking spaces on Highfield Ave.
You must circle around until the front school spaces become available.

Please understand, this is for the safety of your children.
